## BRACKET MOUNTING KIT

### Installation mounting kit

Guardbox is able to supply a wide range of solutions to install the limit switch box on both standard and custom actuators. We can also provide as well mounting kit for valve manual gear boxes and manual valves if required. In case the limit switch box needs to be fitted with valve positioner an offset device can be supplied.

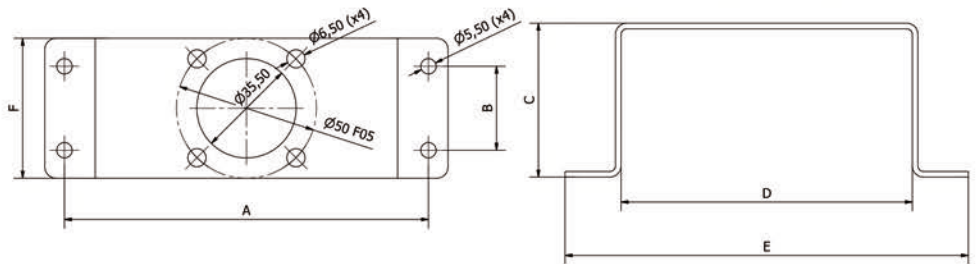

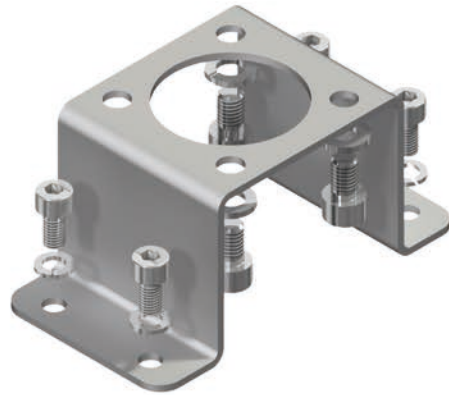

*Guardbox è in grado di fornire un'ampia gamma di soluzioni per installare il box finecorsa su entrambi gli attuatori standard e speciali. Siamo in grado di fornire kit di montaggio per riduttori e valvole manuali. Nel caso in cui il fine corsa deve essere installato unitamente ad un posizionatore pneumatico possiamo proporre delle soluzioni con offset compatti in base alle specifiche esigenze.*

### Technical data bracket BK

Material..... AISI304 (AISI316 on request)

Dimension:

CODE	SIZE	A	B	C	D	E	F
BK2	80X30X20	80	30	45	54	94	50
